## Manitowoc Boom Truck Safety Decal Kits

Have your safety decals become worn, torn or illegible? Two Safety Decal Kits have been created - one for Telescopic and one for Articulating Boom Truck Products. These kits have been developed to provide *maximum employee safety awareness* when working on or around any Boom Truck product. No need to purchase individual items, just order one part number and get all approved safety decals for one low price!

The Telescopic Boom Truck Safety Decal Kit includes:
