

New offer of set of fixing angles for L mast

We offer you our full range of sets of fixing angles for L mast, with or without pin!

You have pins in stock and you want to reuse them?

Order only a set of bare fixing angles and economize the price of pins!

You need pins?

We propose to you a kit containing:

- 8 pins,
- 4 shafts,
- and 4 safety-pins

you can order with or without a set of fixing angles, according to your need.

You want an equipped set of fixing angles*?

From now on order a set of bare fixing angles and a pins kit.
